

# Digital Still Camera

## PRODUCT HIGHLIGHTS

- 14.2 Megapixel
- 5x optical zoom
- 2.7" LCD screen

Smart, stylish and loaded – with all the great features you expect from a Samsung camera.

The metal-covered ST65 is only 0.7" deep – but it packs a 27mm lens with a 5x optical zoom that brings all your friends and everything else a block away into close-up focus. Portraits, landscapes, close-ups and more come out great in virtually any light, thanks to the Smart Auto feature that automatically detects and adjusts image settings for outstanding results. The ST65 also shoots video in HD-quality 720p.

## FEATURES

**Digital Image Stabilization:** Gives you sharp images no matter the condition. Whether it's low light, zooming or just shaky hands, your photos come out sharp and clear.

**HD Movie recording:** Record movies in the palm of your hand. With HD Movie you can record HD video in 1280x720p resolution at 24 frames per second.

**Smart Auto 2.0:** Using your selected shoot mode, Smart Auto takes perfect shots automatically, based on lighting and other conditions.

**Smart Filter 2.0:** Add an artistic touch with lens effects: vignette subjects, or create a miniaturized or fish-eye lens look.

**Face Detection:** Your camera does the work for you by detecting and adjusting the lighting on up to nine different faces at one time.

**Beauty Shot/Self Portrait:** Position yourself in the frame, with dark circles and blemishes automatically removed.

**Multi Slide Show function:** Lets you arrange pictures into a slide show and add music.

**Smart Crop:** After shooting an item – such as a building or poster – at an angle, use the Smart Crop feature to alter the image to appear as if it were shot straight on. Simply select four crop points on the image, and it automatically reappears, recropped full frame, from the desired angle.
